***Horizons Adventures Release of indemnity.***

**RELEASE**

I am aware that participation in an HORIZONS course involves risks, including, though not exclusively, the hazards of travel over unpredictable terrain and waterways in remote areas, without effective communication or medical facilities, subject to the unforeseeable forces of nature, and the possibility of confrontation with wild animals. Courses in foreign countries face additional hazards including travel by aeroplane and train, and exposure to diseases and infections not common to Canada.

I have read and understand the following: The **description of the course** in which I intend to enrol. My initials confirm that I have read and understand this material. \_\_\_\_\_ (Initials)

Knowing of the inherent risks and dangers and in consideration of the right to participate in the course, I represent and agree as follows:

**1. I have verified with my physician and other medical professional that I have no physical or psychological condition that might affect my participation in the course, other than as reflected on the medical form. I am fully capable of participation in the course without causing risk of danger, illness, or accident to myself or others.**

2. I assume all risks associated with the course, subject only to the exception set out below regarding horizons negligent or intentional acts which are the sole cause of injury or damage.

3. I release and agree to hold horizons, its agents, partners, employees and contractors harmless from, and I will make no claim against them, nor sue them for any injury or damage which I may suffer, or whatever cause of origin, arising out of my participation in the course or any other activity arranged or directed by horizons, including injuries or damage resulting from the acts of horizons or any agent, employee or contractor of horizons. The only exception to those claims hereby released is those for injuries and damages caused solely by horizons negligent or intentional conduct, and to which I have not contributed. Claims for all other injuries and damages are hereby released.

4. In no event will horizons, its agents, employees, or contractors be liable for any injury or damage resulting from the acts of another person on the course.

This agreement of Release and Assumption of Risk will be governed by the laws of Ontario and Canada.

I have carefully read this agreement and understand its contents, and I sign it freely and after consultation with all such persons whose advice I consider necessary or important to an understanding of its implication. I am aware that this includes a release of liability and is a binding contract between horizons and me, and it is likewise binding on my heirs, executors, administrators, and assigns, and on any member of my family for whom I sign. References herein to "i" shall include any such family member.
